

SUPPLEMENTARY MATERIAL 1

Interviewer _____

Date _____ Survey No. _____

This survey seeks to know some socioeconomic aspects of the inhabitants of the community with the purpose of analyzing their role in the fishing sector, identifying labor needs and the main employment alternatives, and thereby providing proposals for labor activities for their economic diversification. This study is part of the research carried out at the Autonomous University of Baja California Sur; the information provided will be handled professionally exclusively for academic purposes.

Do you accept and will you be surveyed? Mark X, if yes _____

INFORMATION CHARACTERISTICS OF HOUSING AND SERVICES
